CHERY
FUN TO DRIVE

FIRST IMPRESSIONS LAST

FIRST IMPRESSIONS LAST

Designed and styled for the modern urban go-getter, the all-new Tiggo 4 Pro is one of the most advanced compact SUVs in its class: packed full of the latest tech – with performance, safety, and comfort features to match. From the first glance to the driving experience to the looks on the street, the Tiggo 4 Pro makes an impression, and first impressions last.

HIGH-STRENGTH BODY

The Tiggo 4 Pro is built on Chery's new six-dimensional beam platform. More than two-thirds of the vehicle's frame and structure is built with high- and ultra-high strength steel, and the 6-dimensional design gives it unmatched torsional rigidity and crash safety.

FASHIONABLE DESIGN

Chrome-Plated Double Exhausts with hidden dual exhaust outlets to reduce exhaust noise.

TOTAL SAFETY

A Full Suite of Safety Feature

Airbags – 2 or 6 ring-type airbags* provides comprehensive and comprehensive protection.

ABS – Ensures that the vehicle does not sideslip and tail flick during braking and steering.

Bold Front Face

Like a crouching tiger and a starry sky, the Tiggo 4 Pro's front face is not just for show. The characteristic Diamond-Shape Grille improves heat dissipation efficiency.

Dashing Rear Design

The Tiggo 4 Pro's arresting design carries all the way to the back with 3D Hollow Light Band Blackened Taillights that deliver active safety illumination.

Clever Keys

Alongside one button start and keyless entry, the Tiggo 4 Pro's car key automatically opens the car within 1.2 meters, and lock it when you're 1.5 meters away – saving you time and improving your safety.

Fashion-Forward 5-Spoke Alloy Wheels

Rust-proof and durable multi-spoke mirror design alloy wheels accentuate the Tiggo 4 Pro's stylish and sporty feel.

*Urban & Comfort Models – 16-inch | Elite & Elite SE Models – 17-inch

ROYAL COMFORT

With a long wheelbase and even longer body length, the Tiggo 4 Pro's small body is surprising accommodating. With a up to 1930 litres of boot capacity, you can pack what you want – even large strollers – say goodbye to cramped space and get a comfortable driving experience every time you get behind the wheel or into a passenger seat.

Automatic Air Conditioning

With intelligent dual-zone control in the front row and independent air conditioner in the rear row, the Tiggo 4 Pro's always has a fresh flow of air through the cabin. The independent air outlets in the second row provide the passengers with the same level comforts of the front row.

INTELLIGENT TECH

The Tiggo 4 Pro comes with both Apple CarPlay and Android Auto, complete with voice trigger activations so you can make calls, play music, activate navigation, open sunroof, open windows and many more – all via voice alone.

Smart Storage

With 34 storage spaces, including a super comfortable, forward sliding centre armrest designed with a large opening angle to access more convenient, the Tiggo 4 Pro makes clutter a distant memory.

Ergonomic Seats

In the Tiggo 4 Pro, there's a seat-setting reserved for your exact requirements with the 6-way electrically adjustable driver's seat. Plus, its ergonomic H-type seat is designed to reduce driving fatigue.

7-inch LCD Instrument Cluster

The Tiggo 4 Pro's high resolution instrument display interacts with the car other screen, displaying all the warning and driving information you need as well as audio, multimedia, communication information, so you won't have to look at different screens while driving.

10.25-Inch Touch Display Screen

The Tiggo 4 Pro's takes in-cabin tech to the next level with a 10.25-inch UHD ultra-clear floating LCD screen with resolution up to 1920x720, delivering operation that's smoother than a mobile phone, and a user-friendly interface design equipped with three sets of themes so you can choose the one that matches your mood.
